Which Customer Outcomes do we target?

Amazon Video Redsign

1. F90: Get information about content...that is more relevant and complete.

2. F9100: Compare content alternatives. More quickly and in more relevant ways

3. F70: Be aware of changes in content availability...with more relevance and timeliness.

4. W/20: Start watching content once I've found it...more quickly

5. C20: Have a set of capabilities... that are complete and seamless.

6. F10: Get a general sense of the service and what it offers...more quickly
and accurately.
