Customer Insights

Amazon Video Redsign

card hover

1. Cover Art is necessary but not enough
on its own

2. Age ratings are really important for
parents

3. Time commitment required is important

4. Customers do not feel adequately warned
when a title is going to leave Prime

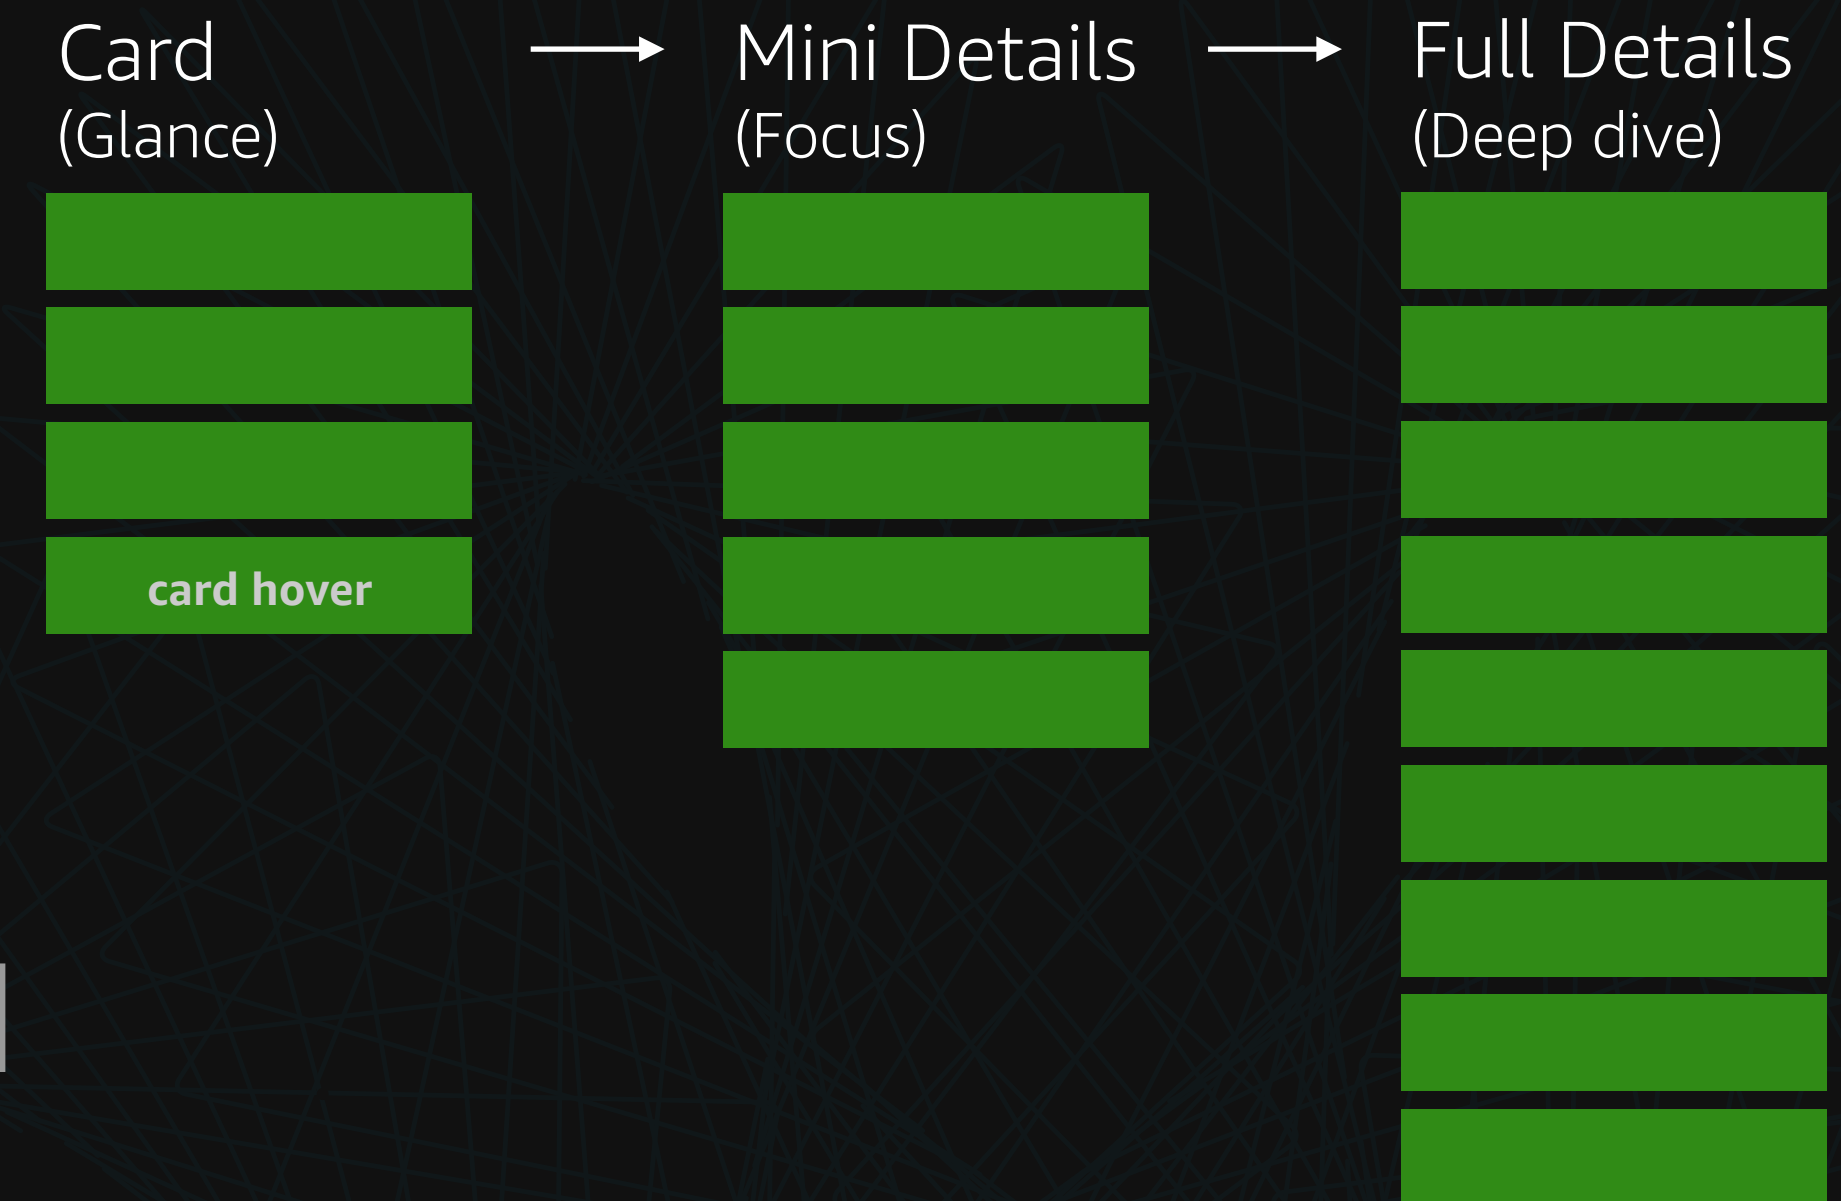

5. Customers look at number of stars and
the count of reviews

6. Synopsis is important

7. Price should be shown. Customers feel tricked when SD is hidden
