Optimisations

Amazon Video Ux System

# 1. One global stylesheet

Changes made by one engineering team rolls out to all pages, across mobile and desktop

## 2. From 23 font sizes to 6

Reduce micro decisions and deliver clear, accessible information hierarchy for customers

3. From 73 colours to 14

Reduce micro decisions and ensure coherency across clients

Layers of Symphony

1. One global stylesheet

Changes made by on engineering team rolls out

to all pages, across mobile and desktop

Reduce misconceptions and deliver clear, accessible

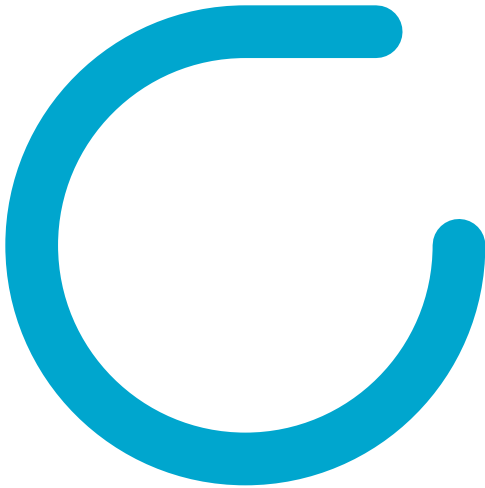

2. From 23 font sizes to 6

information hierarchy for customers

3. From 73 colours to 14

Reduced minor decision and emergency accident clients
