## Progressive Disclosure for web - Current

The screenshot shows the Amazon Video website interface. At the top, there's a navigation bar with the Amazon logo, a search bar, and a promotional offer for the Fire TV Stick. Below the navigation is a main banner featuring a photograph of an airplane wing against a cloudy sky, with the text "Watch while abroad" and a subtext about watching movies and TV shows anywhere in the world. The Amazon Prime Video logo is also present in the banner. Below the banner, there are several sections of content:

- Included with prime**: A section titled "TV to Watch While Abroad" featuring the Amazon Original "The Grand Tour".
- Action Movie Discounts**: A section showing discounted action movies like "The Man in the High Castle", "Red Oaks", and "The BFG".
- Watch Next**: A section showing upcoming releases like "Hell or High Water" and "Falling Water".

The bottom of the page includes a "Basket" icon with a count of 2, and links for "Your Watchlist", "Your Video Library", "Settings", "Getting Started", and "Help".
