Progressive Disclosure for web - Current

The screenshot shows the Amazon Video website interface. At the top, there's a navigation bar with the Amazon logo, a search bar, and a promotional offer for the Fire TV Stick. The main header features a large image of an airplane wing against a cloudy sky, with the text "Watch while abroad" and a subtext about watching movies and TV shows anywhere in the world. Below this, there's a section for "Included with prime" content, featuring "The Grand Tour Season 1" and "HELL OR HIGH WATER". To the right, there are sections for "Action Movie Discounts" (showing "THE MAN IN THE HIGH CASTLE", "Red Oaks", "Wishie", and "THE BFG"), and "Watch Next" (showing "FALLING WATER", "FEAR THE WALKING DEAD", "VERSAILLES", and "AMERICAN GODS"). The bottom navigation bar includes links for "All Videos", "Your Videos", "Included with Prime", "Channels", and "Rent or Buy".
