## Progressive Disclosure for web - Current

The screenshot shows the Amazon Video website interface. At the top, there's a navigation bar with the Amazon logo, a search bar, and a promotional offer for "fireTVstick | With Alexa £39.99". Below the navigation is a secondary header with links for "Hello, Kutlu", "Your Account", "Your Prime", "Your Lists", and a shopping basket containing 2 items.

The main content area features a large banner with a sunset sky and an airplane wing, titled "Watch while abroad". It encourages users to discover movies and TV shows available worldwide. Below this, there's a section for "Included with prime" content, specifically "TV to Watch While Abroad", featuring "The Grand Tour Season 1" (Amazon Original). Other recommended shows include "THE MAN IN THE HIGH CASTLE", "Red Oaks", and "Wisher".

At the bottom, there are sections for "Action Movie Discounts" (with a preview of "NINJA TURTLES") and "Watch Next" (featuring "HELL OR HIGH WATER", "FALLING WATER", "FEAR THE WALKING DEAD", "VERSAILLES", and "AMERICAN GODS").
